

Evaluation Matrix

Complete the table below for each digital teaching resource. These documents should be uploaded to your Blog.

| |
|---|
| Name of teaching resource Reading Eggs |
| Weblink (if web based) http://readingeggs.com.au/ |
| Who should this digital teaching resource be used with? (ie year/grade) This resource should be used with pre primary students through to year 8 students. |
| How should it be used? (e.g. individual, whole class) This resource is best used as an individual learning tool. |
| Which subject or learning area would it be most appropriate to use in? Reading or Language studies. |
| Identify the strengths of this teaching resource Children can engage with animation, songs, stories and puzzles that encourage and help them to learn how to read. Reading eggs is available on the internet and as an application able to be downloaded on an iPad or iPhone. |
| Identify any weaknesses of this teaching resource The only real weakness I was able to find was that the resource runs on a monthly payment subscription. |
| Explain any ideas you may have for further use of this teaching resource This resource is great for children who are only just learning how to read, the activities are fun and interactive, keeping the children interested. An idea I have to further use this teaching resource is to let parents know about this interactive mobile application/website when I am working in a classroom if their child has trouble reading or wants to improve their reading and language skills. |
